

PUBLIC HEARING ANNOUNCEMENT and Notice of Availability of an Environmental Assessment for Proposed Improvements to **Edith Boulevard** from Candelaria Rd to Montaña Rd

Bernalillo County has completed an Environmental Assessment (EA) for proposed improvements to Edith Boulevard from Candelaria Road to Montaña Road. The proposed project includes the widening of **Edith Boulevard** to four lanes with a continuous center left-turn lane, the addition of sidewalks, and an in-street storm drain system. The project also includes a new connection from Tahoe Place to Montaña Road.

The EA will be the subject of a public hearing to be held at the Los Griegos Health and Social Service Center on **June 7, 2006**. The public hearing will be held to present information about the proposed improvements, the findings of the EA, and to provide the public with an opportunity to review and comment on the proposed improvements to Edith Boulevard. The hearing will also provide an opportunity for the public to comment on cultural resource findings and bicycle/pedestrian/equestrian issues related to these improvements. The first half hour of the meeting will be an open house where the project team will be available to discuss the project plans and other information. This will be followed by a **presentation at 6:30 pm**. A public comment period will immediately follow the presentation.

Date: Wednesday, June 7, 2006

Time: 6:00 - 6:30 p.m. — Open House

6:30 - 6:45 p.m. — Presentation

6:45 - 8:00 p.m. — Public Comment period

Place: Los Griegos Health and Social Service Center
1231 Candelaria Road NW
